FIND US ON...

- 2 models available:  
 LS 1....Free standing low to ground table.  
 LS 2....Free standing waist height table.
- Choose from 4 different ram forces supplied by Ramko Hydraulic cylinders:  
 10 ton | 14 ton | 16 ton | 20 ton

## Hydraulic Log Splitters

- Large & stronger table skeleton & surface than previous models.
- Heavily braced table.
- Ram is removable from the wedge.
- Removable cutting blade & slider
- All hydraulic parts are replaceable.
- Replacement parts readily available, although are unlikely needed.
- Lifting hook on top of Log splitter.
- 3 point linkage now made to suit both category 1 & 2 tractor linkages on every frame.
- Larger H-Frame base to suit all forks which also makes the log splitters free standing.
- Free 12 month warranty.
- CE Safety spec. as standard.
- Extra hole in top gusset (to allow ram to be raised for longer stroke).
- All frames are now the same and universal with all ram cylinders.

### Extras include:

- Bolt on 4 way cutting wedge
- Attachable side tables for either or both sides.
- Log grip
- Fast Delivery available to All Ireland or UK including the islands (prices vary)

## Log Grip
